NOAH BEILHARZ.

Since 1901 Noah Beilharz has given his entire time to the platform and today, after seventeen years of experience in entertaining audiences in every state in the Union, he is rated as belonging by right in the first half dozen of really great Lyceum and Chautauqua entertainers.

In the program which he will give on the closing day of the Chautauqua entertainment will be paramount, but behind all of Beilharz's work as an entertainer runs a serious purpose. He uses wigs and grease paints in his makeup, changing from one character to another with exceptional speed, and keeping up a running fire of humorous comment as he effects changes of costume. As a character artist he has few superiors in America. He impersonates real people and he makes them real.

THE CHARLES EDWARD CLARKE COMPANY.

In the Charles Edward Clarke Company there is presented for the approval of Chautauquans one of the most popular concert organizations now doing platform work.

Charles Edward Clarke is a Canadian Baritone who has an established reputation not only in Canada, but in the United States, where he has spent the greater part of his musical career. Graduating from the University of Toronto in 1903 he made two tours of Canada and the States with a concert company. He then studied abroad in London and in Paris. Returning to America he again gained valuable experience in the concert field, touring with noted artists, and at the head of his own company for several years.

In 1908 he returned to Paris and there for nearly three years was active in the musical life of that city, teaching, singing in the American Church, and studying with the world famous teacher, Jean De Reszke. Since his return to America he has been located in Chicago, where for several years he has been noted as one of that city's leading oratorio and recital artists. He is holding an important position on the faculty of one of the leading musical conservatories of that city.

His wife, Rachel Steinman Clarke, has been for a number of years one of the best known violinists of the platform, and his pianist, Mr. Earl Victor Prahl, is an accompanist and soloist who rounds out a trio of all star artists.

#### MISS SUMAYEH ATTIEYEH.

Miss Sumayeh Attiye, beautiful young Syrian girl who comes to the Chautauqua on the fourth day, will give one of the most unique and altogether interesting lecture-entertainments which has ever been heard in this community. Miss Attiye has had a wonderful life experience.

The story which she has to tell of Syrian life and customs is so entirely unusual, and is told with such a fine humor and with such extraordinary dramatic effect, that it never fails to captivate an audience. The ladies will be particularly interested in the costumes worn by Miss Attiye. One of these is more than one hundred years old, and is extremely valuable.

The Chautauqua is America's fourth great institution. The other three are the home, the church and the school.—Judge Ben Lindsey.

#### OBSERVATIONS.

Continued from First Page.

The crown prince's equipment for a big drive includes a hammock and a beer stein.

With Pennsylvania and other eastern states clamoring for a compulsory labor law, the hobo, like the young man and the Star of Empire, will have to keep moving westward.

The idea of the kaiser's hurling an army of convicts against the western allies is not so bright or so original. What is the whole potsdam gang anyway?

No amount of voice culture will make a fat man stop snoring in his sleep.

Maybe Van Kuehlmann will be decorated with the order of the tin can.

Also the conservation of food provides more money for Thrift Stamps.

#### FOR HOW LONG?

Perrysburg Raises a Pertinent Question.

When a neighbor tells us that he has recovered from a serious illness, the first question that naturally arises is, "How long will he keep well?" Temporary relief is one thing, but a lasting cure is altogether different. There is nothing temporary about the work of Doan's Kidney Pills as the following evidence proves beyond a doubt.

Capt. T. Inman, captain of lake steamer, Fifth and Elm streets, Perrysburg, says: "I suffered constantly with a dull, throbbing ache over my kidneys and pains through my loins. My kidneys acted irregularly, often too freely. Nothing helped me until I used Doan's Kidney Pills. After I started taking Doan's my health greatly improved until all traces of kidney trouble disappeared. I have had no return of it since." (Statement given September 30, 1911.)

#### LASTING BENEFIT.

Over five years later, or on March 9, 1917, Capt. Inman said: "I haven't had occasion to use a kidney medicine since Doan's Kidney Pills cured me. I have the same faith in Doan's I had six years ago."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Capt. Inman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## Headache

THOUSANDS OF WOMEN suffer miserably from periodic attacks of headache, never dreaming that a permanent cure may be had. Headache nearly always results from some disorder of the stomach, liver or bowels. Take
